SOFIA

A wide selection of base options available, with or without storage and a stylish range of contemporary covers.

Luxury hand-tufted mattress with a knitted stretch cover providing natural breathability and a softer surface feel.

Surface upholstery includes a deep layer of moresleep soft-touch resilience foam which moulds to the sleepers body to improve pressure relief and help reduce aches and pains.

1000 pocket springs (150cm size) ensure correct sleeping posture and total body support.

Non-turn mattress – please rotate regularly 180° to extend mattress life and performance.
