VERONA

A wide selection of base options available, with or without storage and a stylish range of contemporary covers.

Exceptional value micro-quilted mattress with a damask cover, shown here in the guest bed option.

Generous upholstery layers combine with a Bonnell fully sprung mattress to ensure medium-firm surface comfort and proper underlying support.

Spring unit is side re-inforced to prevent edge breakdown and widen the total sleeping area.

Dual sided mattress – please turn and rotate mattress regularly to extend its life and performance.
